PAYMENT EXEMPTION

Should an aircraft return from take off point to the apron, handling shall not be charged provided no change of load occurs.

Aircraft of the Red Cross and Croatian Army (when they operate with the purpose of army) are exempted of all airport fees.

INCREASE OF PRICES

Handling charges shall be increased by 25% in cases of:

- on Sundays and on days of national holidays of the Republic of Croatia
- night handling between 22.00 to 06.00 hrs local time
- out of operational hours
- combined passenger/cargo handling
- cabin handling

Waiting for the aircraft out of regular operational hours of the Airport is charged 206,00 EUR per hour.

Minimum accounting unit is 30 min.

The unified handling and landing charge for aircraft up to and including 4000 kg MTOW during weekend (Saturday and Sunday) amounts to 117,00 EUR.

All other airport services (passengers' tax, parking, waiting out of operational hours, etc.) will be charged according to Osijek Airport Price list.

PRICE REDUCTION

Charges for use of runway shall be reduced by 25% in cases of:

- return flight
- trial flight
- technical landing

Handling charges shall be reduced by 50% in cases of:

- technical landing, if no change of load occurs
- if an aircraft returns from the take off point to the apron, with subsequent change of commercial load

TRAINING FLIGHTS

- landing charges (full stop) shall be reduced by 75%
- landing charges for 3 touch and go shall be reduced by 75%
- handling charges shall be reduced by 40% of full price
- parking charges shall be 1.60 EUR/t for every 24 hours of parking time (first four hours shall be free of charge)

CUSTOMS FEE (19,00 LT – 07,00 LT):

- tax 40,00 HRK
- 150,00 HRK per hour
- airport manipulating service 10%
